Copy of petition of Sri B K Ramaswamy Naidu, dated 17-4-1953 addressed to the Commissioner, Corporation of Bangalore

---

I, the undersigned B K Ramaswamy Naidu, residing at No 10, Panchala Singappa Lane, Ranasinghpet, Bangalore City, most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration with a view that my humole prayer would meet with success

I beg to bring to your kind notice that the mutt called Subbahamsa Mutt along with the Aswathakatte and the adjoining land of the Mutt belongs to my ancestors i e great grand rather and the said property is in my family possession and enjoyment and I am now in possession of the same My great grand rather Subbahamsa seems to have got himself burried in this place alive (Samadhi) Even the samadhis of his deciples is in the temple Necessary poojas etc are being performed by the members of my family and I am now looking after the same The kandayam of this mutt is being paid by my family and now by myself for the last 50 years The mutt is being maintained at my own cost

Such being the case about nine years back one S M T Naidu approached me deposeing himself that he is a memb er of my family and that he had left this to Singapore in his young age and that he has come to seek us all Before that time I had no knowledge of existence of such a relative but thinking that he says is correct, I treated him with respect and allowed him to reside in the Mutt premises

He kept quiet for some time After some time, he began to give me all sorts of inconvenience and gradually began to lay claim to the Mutt and its properties As he was unsuccessful in this preliminary attempts, he began to file false police complaints against me falsely alleging that I assaulted him etc These complaints were enquired into by the Police and having found that his complaints were all false they were brushed aside

Finally he filed a criminal case against me When the case was pending in the court, the learned Judge directed the Advocate of S M T Naidu to compromise with me I did not consent to it But my advocate intervened and represented to me that as S M T Naidu and his advocate has requested him to advise me for a comprise, I had to consent and the said criminal case ended in a compromise

Afterwards some of the leading persons of the locality viz Ex-Mayor Lankappa, Sri Sonnamma, Sri Manager Kannappa and Sri Javaranna convened a panchayat and in the panchayat they out of sympathy decided that some vacant land of the mutt should be given to him As these people were the leaders and respectable permanent residents of the said locality, I accepted to the said compromise and also executed a registered deed as per the settlement of the panchayatdars

After this he kept quiet for some time In the said deed it is clearly stated that this S M T Naidu has to enjoy this vacant land during his life time, but he was not vested with the powers of alienating it in any manner

For the last two or three months he has once again commenced to lay claim to the mutt and its adjoining properties including the Aswathakatte I understand that he has submitted applications to the Corporation authorities requesting them to acquire the same for construction of an Ayurvedic Hospital etc Notices were issued to me by the Corporation authorities and I have submitted my application for the said acquisition

The said S M T Naidu is trying to get the properties out of my hands and with this intention of quenching his thirst against me I submit that neither the Corporation nor any person has got any right to acquire the mutt, aswathakatta and other lands belonging to me further there is no need for construction of an Ayurvedic Hospital

or any building in the locality

Under the circumstances, I request that the said acquisition proceedings if any may kindly be dropped once ~~x~~ for all

Awaiting orders and thanking you in the meanwhile
For which act of kindness and timely help, I shall ever remain grateful
